

Privacy Policy

Last Updated: February 5th, 2025

PayMint LLC (“PayMint”, “we”, “our”, or “us”) respects your privacy and is committed to protecting the personal and business information of our users. This Privacy Policy explains how we collect, use, store, share, and protect your information when you use the PayMint Point of Sale system, mobile applications, websites, and related services (collectively, the “Services”).

By using PayMint, you agree to the practices described in this Privacy Policy.

1. Information We Collect

We collect information necessary to provide and improve our Services.

1.1 Personal Information

This may include:

- Full name
- Email address
- Mobile phone number
- Business name and location
- Account login credentials

1.2 Payment Information

When you subscribe to PayMint or process payments:

- Credit and debit card details
- Billing address
- Transaction identifiers

Note: Payment information is processed securely through third-party payment processors. PayMint does not store full card numbers or CVV codes on its servers unless explicitly stated and legally permitted.

1.3 Business & Operational Data

Collected through your use of the POS system:

- Sales transactions
- Products, pricing, and inventory
- Staff profiles, roles, and shifts
- Customer profiles and loyalty data
- Reports, analytics, and operational metrics

1.4 Technical & Usage Data

Automatically collected data may include:

- Device type, operating system, and app version
 - IP address
 - Log files and usage activity
 - Cookies and similar tracking technologies (for the website and dashboard)
-

2. How We Use Your Information

We use your data to:

- Provide, operate, and maintain PayMint Services
- Process transactions and subscriptions
- Enable POS functionality and reporting
- Manage accounts, branches, and staff access
- Improve system performance and user experience
- Communicate updates, support responses, and service notices
- Detect fraud, abuse, or security threats
- Comply with legal and regulatory obligations

We do not sell your personal or business data to third parties.

3. Data Storage & Security

All data is stored securely using industry-standard safeguards, including:

- Data encryption in transit and at rest
- Secure cloud infrastructure
- Restricted internal access controls

- Regular system monitoring and updates

While we take extensive measures to protect your data, no system is 100% secure. Users are responsible for keeping their login credentials confidential.

4. Data Sharing & Third Parties

We may share limited data only with:

- Trusted service providers (hosting, analytics, payment processors)
- Legal authorities if required by law, court order, or regulation
- Business partners strictly necessary to deliver Services

All third parties are contractually obligated to protect your data and use it only for authorized purposes.

5. Multi-Branch & Account Access

If you manage multiple establishments:

- Data may be shared internally between branches under the same account
 - Owners and authorized account managers can control access permissions
 - Responsibility for internal data access rests with the account owner
-

6. Data Retention

We retain your information:

- For as long as your account is active
- As needed to comply with legal, tax, or accounting requirements
- To resolve disputes and enforce agreements

You may request account deletion, subject to legal retention obligations.

7. Your Rights

Depending on your jurisdiction, you may have the right to:

- Access your personal data
- Correct or update inaccurate information
- Request deletion of your data
- Restrict or object to certain processing activities

Requests can be submitted on your account management section or by contacting us at:

 [\[privacy@paymint.com\]](mailto:privacy@paymint.com)

8. Cookies & Tracking Technologies

We use cookies and similar technologies to:

- Improve website functionality
- Analyze traffic and usage trends
- Enhance user experience

You can manage cookie preferences through your browser settings.

9. International Operations

PayMint LLC operates globally. Your data may be stored or processed in countries outside your own, including jurisdictions with different data protection laws. We take steps to ensure appropriate safeguards are in place.

10. Children's Privacy

PayMint is not intended for use by individuals under the age of 18. We do not knowingly collect personal data from minors.

11. Changes to This Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page, and the “Last Updated” date will be revised accordingly. Continued use of the Services constitutes acceptance of the updated policy.
